SUMMARY

Full-stack developer with strong MERN/Next.js experience delivering scalable web applications. Skilled in end-to-end development, cloud deployment, and cross-team collaboration. Quick to adapt to new technologies.

WORK EXPERIENCE

Magma3c - Full Stack developer (MERN)

Sep 2024 - Jan 2025

- Developed and maintained a (LMS) and a multi-vendor e-commerce platform using **Next.js** (frontend) and **Node.js/Express** (backend).
- Implemented **data-scraping** utilities in **Python** to automate content collection and streamline workflows.
- Led and mentored a team of trainees, assigning tasks and reviewing code to ensure timely, high-quality project delivery.

Stack360 - Associate Software Engineer

Jul 2025 - Present

- Contributed to a **multi-tenant** platform Falcore.uk, building responsive UI and features primarily with **Next.js** and handling minor backend tasks in **Python/Django**.
- Deployed and managed the application on **AWS** using PM2 .

Freelance - Upwork + Fiver

2023 - Present

- Delivered multiple **MERN** stack web applications, handling complete end-to-end development.
- Built **Vue.js** and **Nuxt.js** projects.
- Gained additional backend experience with **Ruby on Rails and Django** , including API development and integration.

EDUCATION

Bachelor of Science in Computer Science

2022 - 2026

University of Central Punjab

- CGPA - (3.72)

TECHNICAL SKILLS :
